

Editorial Notice

Dear Colleagues,

With the March 2015 issue Neurotrauma Section Editor post is delivered to Prof. Dr. Klaus Von Wild, and Assoc. Prof. Dr. Hakan Karabađlı and Assoc. Prof. Dr. Hayri Kertmen has joined our editorial team.

I want to thank Prof. Dr. Minoru Fujiki, Assoc. Prof. Dr. Hakan Seękin and Assoc. Prof. Dr. Onur Ulu for their valuable contributions to Turkish Neurosurgery, as the Neurotrauma section editor and Associate Editors, respectively.

'Turkish Neurosurgery' has been one of the most outstanding journals in the field of Neurosurgery and we are aware of the responsibility on us. I am sure that every single member of Turkish Neurosurgical Society will help us in increasing the scientific level of our journal. Your feedbacks are very important for us in managing this hard work.

I want to remind you once again that both clinical and experimental research papers need Ethics Committee Approval before being considered for publication, therefore it is mandatory to attach the Ethic Committee Approval Certificate while submitting your papers.
